

unions. Simply go to www.ncpcu.org, click on the Login icon, enter your email address and click the “Forgot Password” link to set up access. If your credit union is a member and you are not sure if we have your email address, contact us at ncpcu@ncpcu.org and we’ll link you to your credit union to receive member benefits including informative periodic newsletters and much more.

Smart Chip Technology Now Available Through Eagle Card Program

Eagle-image plastic cards embedded with smart chips are now available for bulk discount orders through the Council. The new technology is available for all Visa, Mastercard, ATM/debit and credit card options. Keep in mind that the turnaround time for the embedded card orders takes approximately 60 days, more time than with the traditional mag-stripe cards (see Postscripts section below for more details on placing orders).

Key Points for Chip Technology:

- Chip-embedded cards are safer and more secure than the traditional mag-striped cards
 - Point-of-sale involves inserting instead of swiping cards
 - Fraud liability shift dates vary for POS, ATM, Visa and Mastercard
 - Use of chip technology reduces data breaches
 - Member education on chip technology is a critical piece of adoption
 - Create a transition plan to adopt the technology if one is not already in place

NEW! EMV Eagle-Image Plastic Cards Now Available for Ordering

To be included in the next bulk eagle-image plastic card orders, follow the link below and complete the online form. If you need cards now, separate, smaller orders can be processed, however this may affect the cost of the card.

If you have any questions, please call 858-792-3883 or email ncpcu@ncpcu.org. ATM, debit and credit card versions of the popular eagle cards are available. Also, cards are available without the eagle image in other custom designs.

Eagle-Image Plastic Cards (Non-EMV)

Order Due: December 18, 2015

Estimated Ship Date: January 29, 2016

Eagle-Image Plastic Cards (EMV Chip)

Order Due: December 18, 2015

Estimated Ship Date: February 29, 2016
