## **January is Membership Renewal Time**

Your credit union's membership is coming up for renewal in January. Since your credit union holds the membership, all members of Board, CEOs and credit union staff can take advantage of discounts on the Annual Conference fees and more. For over 30 years, the National Council of Postal Credit Unions (NCPCU) has been serving the special interests of postal credit

unions nationwide and has been advocating for its membership on important initiatives with its sponsor organization, the U.S. Postal Service.

On January 9, the primary contact for your credit union will receive an email that includes the dues invoice. The invoice can be printed and mailed to our office with a check. Instructions are contained within the invoice. We will email all primary contacts prior to the end of the year to confirm their information. If any changes need to be made, contact our office at 858-792-3883 or email [ncpcu@ncpcu.org](mailto:ncpcu@ncpcu.org).
